

THE LANGUAGE OF PSYCHOPATHS

1. Overly dramatic statements, stilted in a fiction-like way.
2. Items that conveniently come into one's possession
3. Always the one that takes the high road
4. Everyone else is lying
5. SOMEhow... for SOME reason, – lie coming up
6. Suddenly...popped into my mind..to my surprise...lie coming up
7. Solutions – synonym for “I found a way to get over”.
8. Grandiose statements
9. Shucks, hell, gosh, gee whiz....lie coming up.
10. ...just happened....escape from responsibility
11. Being overly accepting of a bad fate: I was glad...
12. The truth is...lie coming up
13. Just...lie coming up
14. The only time..one incident..never happened again...minimizing bad behavior
